

As mathematicians we will be...

Continuing our learning on fractions. We will extend our knowledge by adding and subtracting fractions.

In the next unit we will be looking at money, learning how to use pounds and pence.

As writers we will be...

Learning about Haiku poems. We will become familiar with the format and then write our own poems about nature.

In the next unit we will be looking at diary entries and what the features are of this genre.

In DT we will be...exploring seasonal food.

In Geography we will be...

Learning about Europe and the human and geographical features of different locations.

Summer Term 1 2024

Year Three

In computing we will be...exploring Computer Science and begin to learn about coding.

In PSHE we will be...what relationships are and how to have positive relationships.

As religious explorers we will be...continuing our learning about Islam and how Muslims express their beliefs in different ways.

In PE we will be...improving our Dance skills and exploring athletics.

In Science we will be...building on our knowledge of forces and motion by exploring push, pull and resistance.
