

As writers, we will be...

Developing our foundational skills looking at handwriting, capital letters and punctuation. We will also be learning grammatical and descriptive concepts to improve our writing through writing a modern fairytale, an explanation text and poems using metaphors.

As mathematicians, we will be...

Building on our knowledge of place value looking at numbers up to 100 (Y3) and up to 1000 (Y4). We will look at the four main calculations and becoming more confident with times tables.

As religious explorers, we will be...

Developing our knowledge of Hinduism thinking about the Trimurti, how many gods they have. We will be thinking about Dharma and how this impacts on Hindu's choices.

As historians, we will be...

Developing our knowledge of the Romans and thinking about when and where they lived, who they were and the beliefs that they had.

As artists we will be...

Looking at illustrative art. This will allow us to understand what this is and then use examples to create our own comic to illustrate a story.

**Autumn Term- 2026
Year 3/4****As readers, we will be...**

Using our VIPERS skills to tackle questions based on a variety of texts. We will be reading Charlotte's web as our class reader.

In computing, we will be...

Gaining a greater understanding of computer systems and networks. We will also look at programming and how we can sequence sounds.

As designers we will be...

Researching, designing and creating our own interactive displays. We will practise key designing skills.

As Geographers, we will be...

Investigating world trade. Through this we will understand what trade is and how resources are distributed around the world. We will also look at fairtrade and why this is so important.

As scientists, we will be...

Learning about sound and light. We will be thinking about how these are created, and how they are important for our life. We will think about what happens when someone can't hear very well and thinking about how we can help them. We will learn about the colour spectrum and how light affects the colours we see.

In PSHE, we will be...

Completing a topic called Being Me. Within this we will think about having a growth mindset, setting goals, how we fit into our country. We will also think about our responsibilities and rewards and consequences.

As athletes, we will be...

Looking at health and fitness completing different circuits and exercises to help build our physical strength and fitness..
