

**As writers, we will be...**

Recapping our SPAG knowledge ensuring that we have got a secure understanding of these before applying these to different writing units throughout the term including an information text, black out poetry and historical fiction.

**As mathematicians, we will be...**

We will be exploring place value of numbers up to 10,000,000 and then looking at the 4 operations and how to solve problems that involve them. We will also be unpicking reasoning style questions and honing our arithmetic skills.

**As readers, we will be...**

Looking at a range of text types (fiction, non-fiction and poetry) and answering a range of VIPERS style questions linked to them.

**As modern linguists, we will be...**

Using the conjunctions être and avoir to ask and answer a series of questions in French and then moving on to time where they will be able to discuss their daily routines..

**As scientists, we will be...**

Looking at electricity and different ways to make a circuit. We will be exploring why a circuit may or may not work. We will then look at animal and plant adaptations within nature.

## Autumn Term 2025/2026 Year Six

**As geographers, we will be...**

Exploring our environment and the impact of climate change. We will develop an understanding of way that humans have adapted to live with climate change and what we can do to help our planet.

**As musicians, we will be...**

Listening to music and melodies from WW2 and learning to play a melody using staff notation and using notes within and octave range.

**As designers, we will be...**

Examining different types of head coverings. Thinking about what they are for and who might wear them. We will then use this information to make one of our own.

**In PSHE we will be...**

Exploring ourselves in the unit 'Being Me'. We will be setting targets for ourselves and thinking about how we can achieve them. We will get inspiration from people we know who have been successful.

**As religious explorers, we will be...**

Looking at Christianity and their beliefs. We will delve into the different parts of the bible and how Christians use them in their day to day lives.

**As athletes, we will be...**

Developing an understanding of our body and the different movements we can make to create a dance.
